

Basic Info.

Model NO.	YET-F51D	Voltage	12V
Material	Plastic	Battery Type	AAA Battery
Product Name	Automatic Door Opener Rolling Code Remote Control	Frequency	868, 433,315,330
Customised Range	303MHz/310MHz/315MHz /433MHz/868MHz Optional	Code	Fixed Code, Learning Code, Rolling Code, Copy Code
Button	2 Button/ 4 Button	Battery	27A 12V
Range	100 Meters	Standard Packing	Unique White Paper Box
Transport Package	PC Bag, Blister, Color/White Box Optional	Specification	61.9*34.6*15mm
Trademark	YET	Origin	Guangdong, China (Mainland)
HS Code	8526920000	Production Capacity	2000000 Piece/Pieces Per Month Provide Sample

Automatic door opener rolling code remote control switch YET F51D

Application: roller, window, gate, garage, door, curtain, motor, smart home, lock, pump, sliding gate, swing gate, motorcycle, LED light switch. etc.

More than 100 kinds models of remote control with good quality reasonable price, widely used in garage door, rolling door, car alarm system, home appliance, remote switch, LED and other industrial control. They are sold to Europe, South America, Japan and other world market....

wireless remote control for car alarm, auto alarm, motorcycle alarm, led light, wireless remote control for warehouse door, car barn door and gate door, smart key, civil security as house security, commercial security, industrial area by fixed code learning code rolling code and other codes. With low consumption but high efficiency, it will be more and more important to human life.

- Brand Name: YET
- Model Number: YET-F51D
- Usage: Auto Doors, garage door, smart home and so on
- Frequency: 303MHz/310MHz/315MHz/433.92MHz optional
- Oscillation resistance: Per customer's request
- Button color: Silvery
- Signal Transmission: RF Wireless
- Material: Metal and ABS
- Chip and operating mode:

a. Fixed Code

b. Learning Code

c. Rolling Code

d. Copy Code

- High Stability: Adopting imported SMT component SAW and super high frequency audion(6.5G)
- MOQ: 100pcs, accept trial order with less quantity
- Warranty: 1 year
- Delivery: 5-20 working days
