

# Elektrotechnik Karl-Heinz Mauz GmbH

**Piezolautsprecher LSP-3015** (Artikel-Nr. 109050)

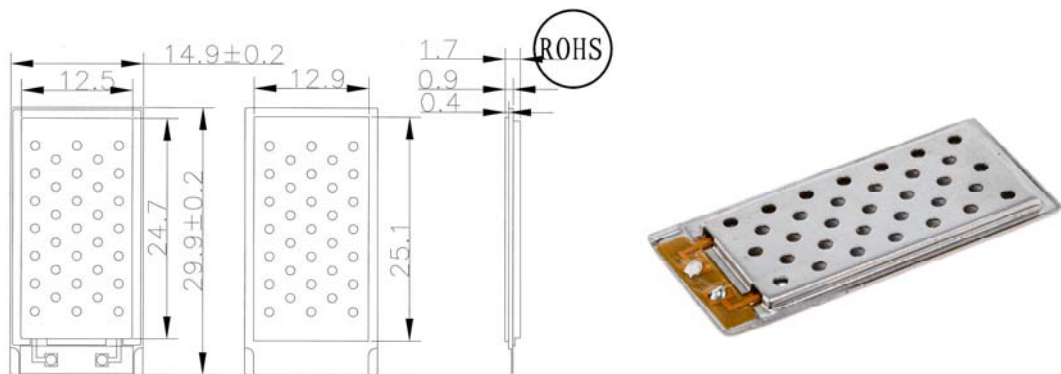

**EKULIT**

## *SPECIFICATIONS:*

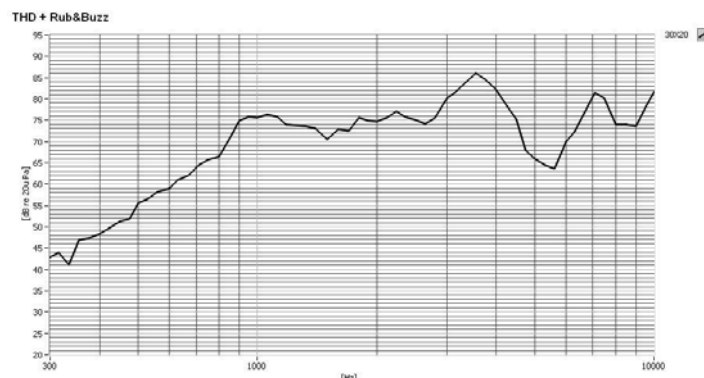

| TYPE                    | UNIT | Specifications | Test conditions   |
|-------------------------|------|----------------|---|
| Sound Pressure Level    | dB   | 80Min.         | B&K(10cm/5Vrms/at muffle room) (Average at 4-point: 1.0k, 1.5k, 2.0k, 2.5k) |
| Electrostatic Capacitiy | nF   | 300±30%        | Digital electric bridge<br>(120Hz/1V/25°C)                                  |
| (F0)                    | Hz   | 850±20%        | B&K (5V/rms)  |
| Frequency Range         | Hz   | 300~20.000     | -   |
| Max Input Voltage       | Vrms | 7              | Sine Wave   |
| Operating Temp.         | °C   | -20~+70        | -   |
| Storage Temp.           | °C   | -30~+85        | -   |
